Although our history is not long, we persist in our journey ahead.

**Getting to
Know Yaltan**

Location

We located in City Xiamen, also known as Amoy, Southeast of China.

Yaltan started its journey in 2006.

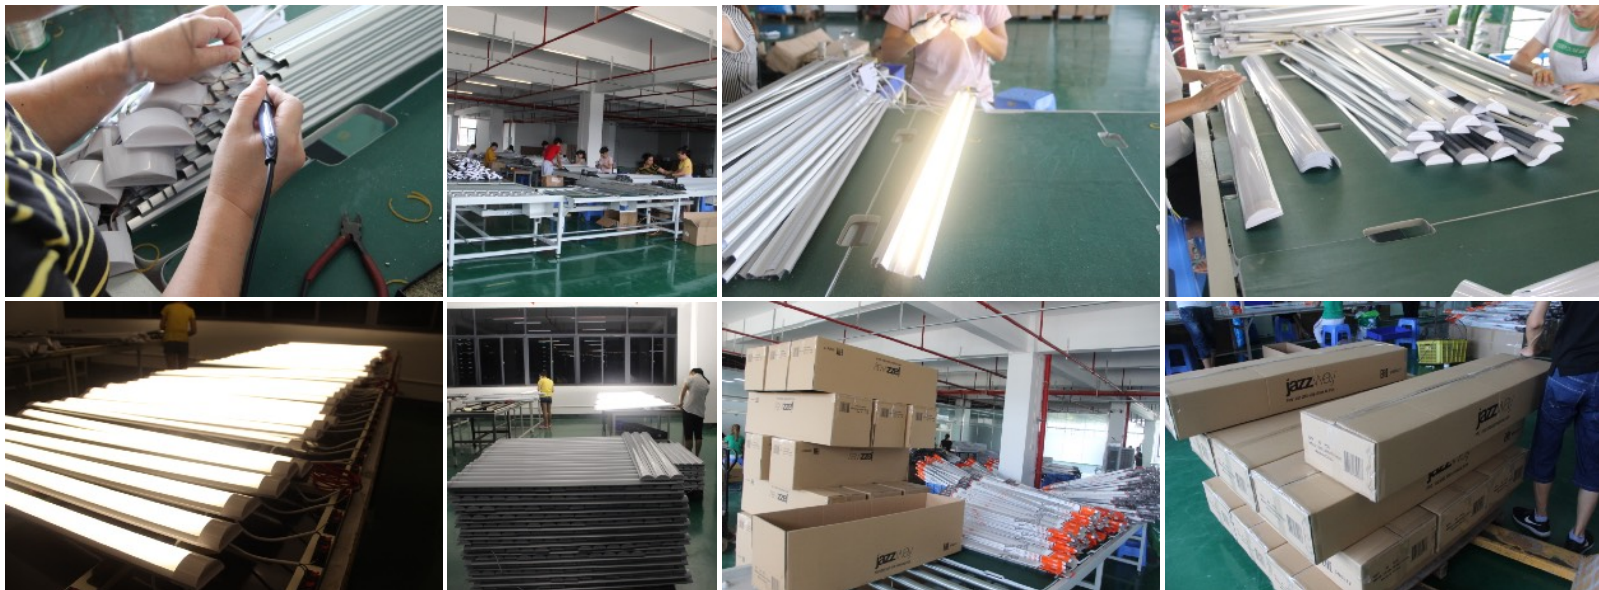

Mission and Vision

We devoted ourselves to providing distinguishable & fine quality products.

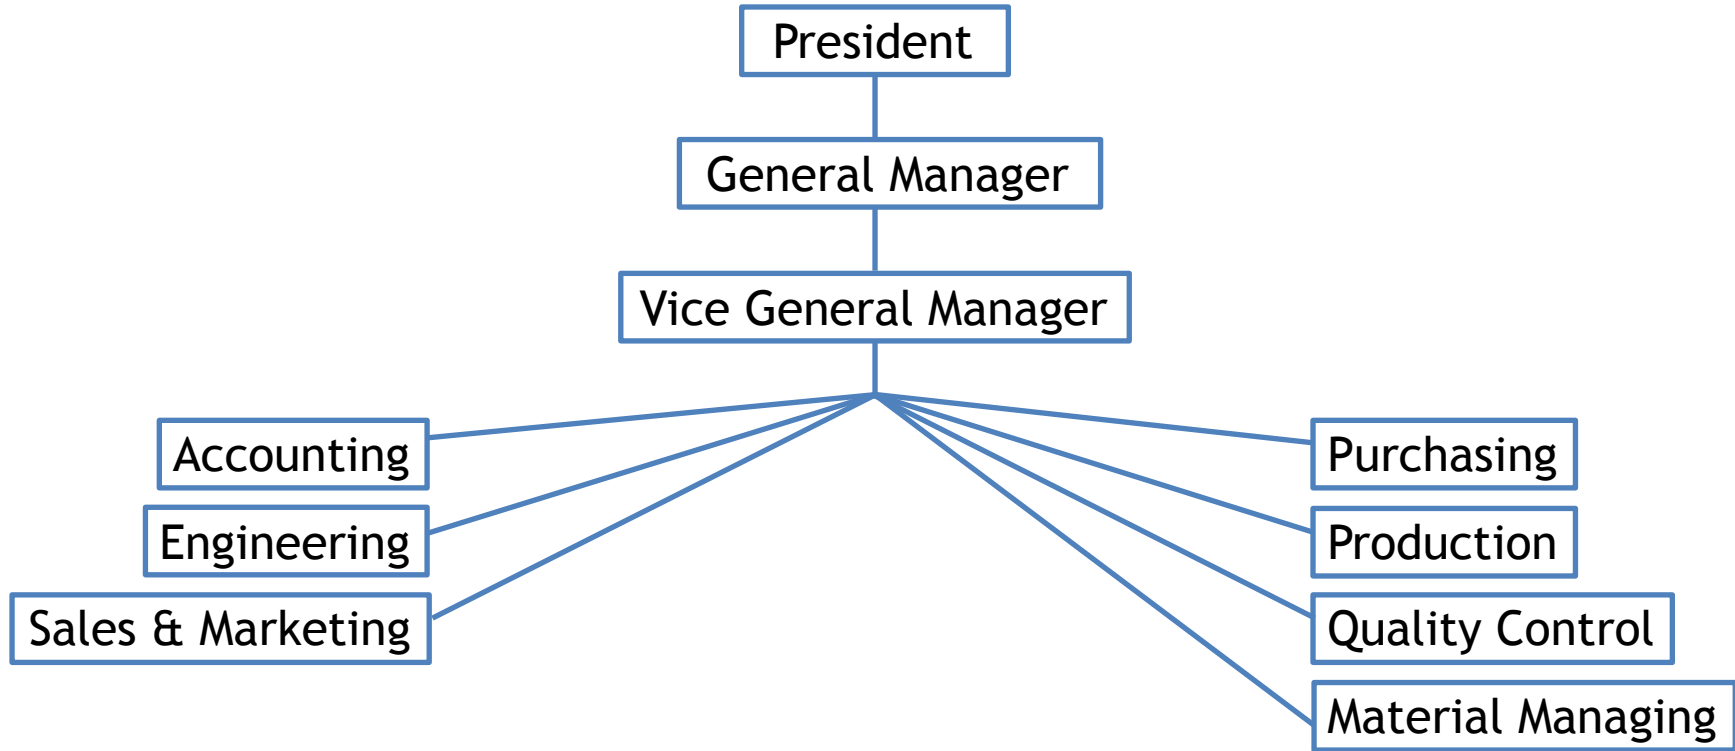

Earlier this year we migrated our factory to the current location.

Factory expanded from 1180sqm to 2100sqm.
